

KENT SCHOOLS' CROSS COUNTRY CHAMPIONSHIP

A reminder that the Championships are not based at the Track and that there is no parking in Central Park itself.

There are several public car parks nearby, the closest of which is the **Acacia Car Park** in the High Street.

Acacia Car Park postcode = **DA1 1DJ**

From the Acacia Car Park, walk below this height barrier.

All Registration, Entry Fees, Results, KSAA selection etc. will be dealt with in marquees alongside the pathway shown in the following photos. Portaloos will also be based there. Access to the Course is via a bridge and is only about 100m away.

News from KSAA on Tuesday evening: --

"We carried out a course inspection this morning and are happy to report there are no problems in holding the Championships on Saturday. Some parts of the course remain in the shade pretty well all day but are not rutted like last year. Saturday is forecast to be warmer, but I think some parts of the course will remain quite hard, which makes for fairly easy running conditions. If you wear spikes be prepared to assess the length of the most suitable spikes."
