The Kent Schools' Cross Country Championships are to be held on **Saturday 20<sup>th</sup> January 2024** at Dartford Central Park DA1 1JP.

Nominations from schools closed last week and the names of selected athletes should be on the [www.ksaa.org.uk](http://www.ksaa.org.uk) website in the next day or two.

Teachers and parents of those at Thanet schools are advised to check their entries and notify me straight away if there are any omissions, spelling errors or other issues.

**There is no parking available within the park.** Public car parks are located nearby. Aim to arrive at least an hour early, to allow enough time to park, collect your race number (from the Thanet table in the registration area) and warm up properly for the race.

**All competitors will need to pay a £5 entry fee on the day.** This is to help cover increasing costs and ensure the future of events such as the Kent Schools' Championship and Schools' Inter-Counties.)

I will send you a further letter shortly after Christmas. In the meantime, feel free to contact me via Messenger or by email.
